

Disabling Pop-up Blockers

For iPads/iPhones (Safari)

- Go to the 'Settings' option.
- Scroll down list on left to 'Safari' and press on the 'Safari' name.

Select 'Safari'.

- The right hand box will have options.
- Under the 'General' section is an option called 'Block Pop-ups' if the blocker is on this will be green.
- Scroll the button to turn it off.

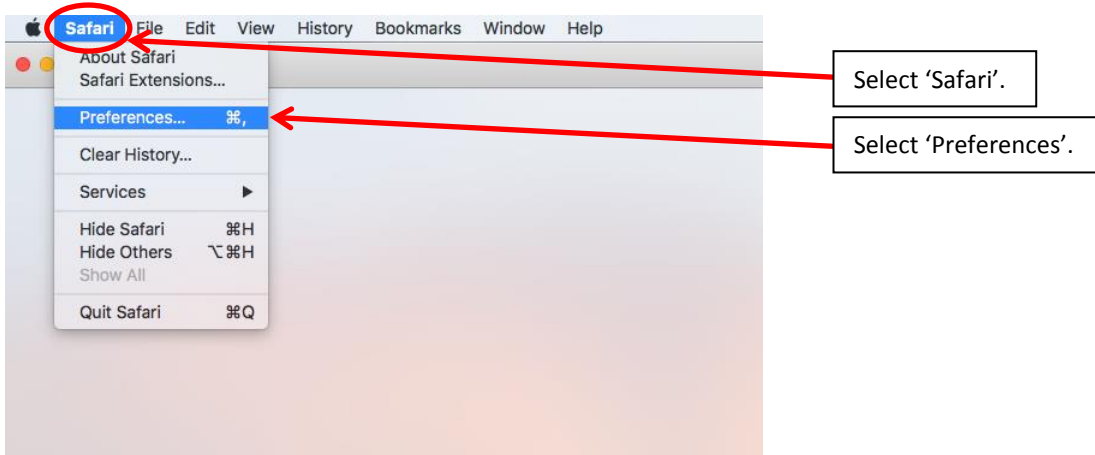

Make sure this option is turned off.

- Then go back to the report options and click 'Run'. (The iPad will warn that a pop up is going to come up with an option to Block or Allow).
- Once you have selected 'Allow' the report will come up.
- Then every time a report is run with a similar menu layout it will get the option to 'Block' or 'Allow'.

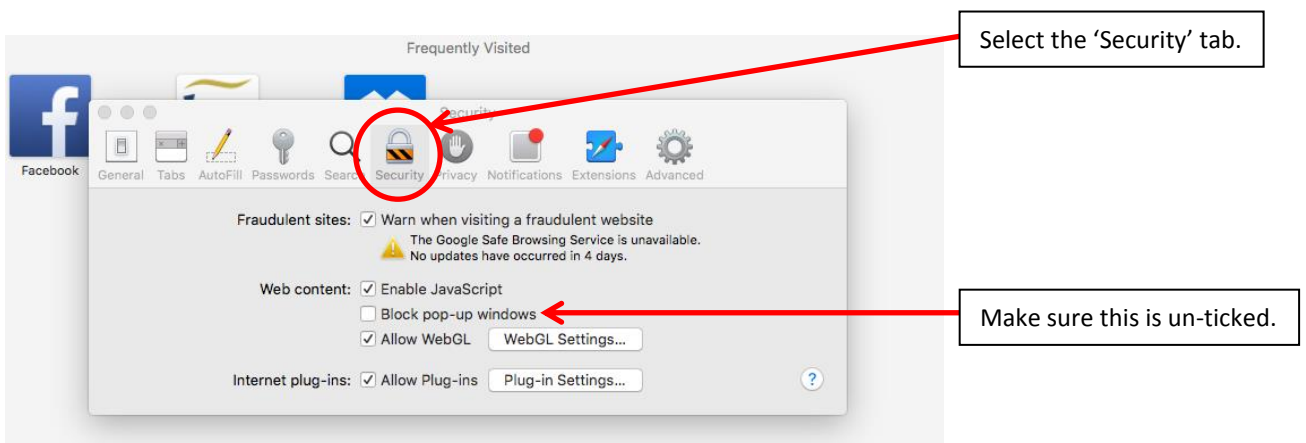

For Macs (Safari)

- From the 'Safari' menu on the menubar choose 'Preferences'.

- Select the 'Security' tab.

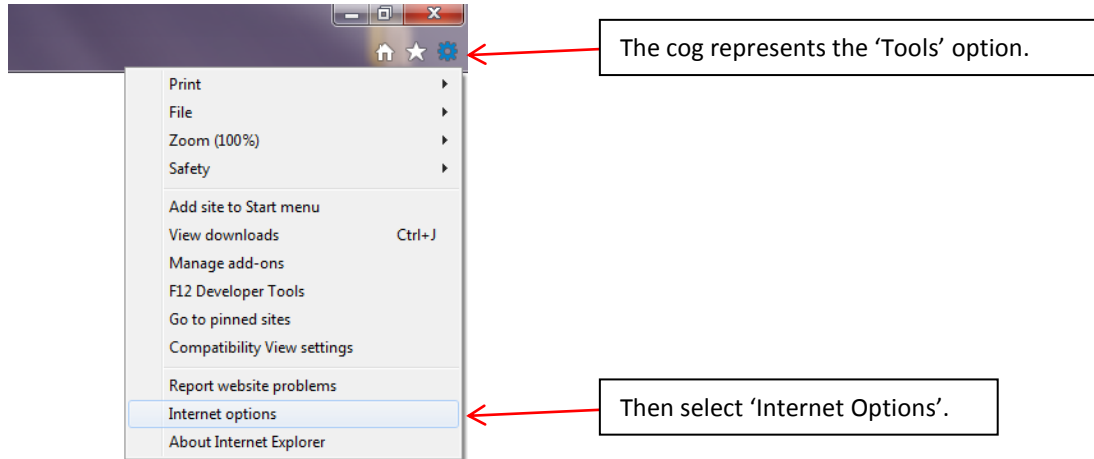

- Uncheck 'Block Pop-up windows'.

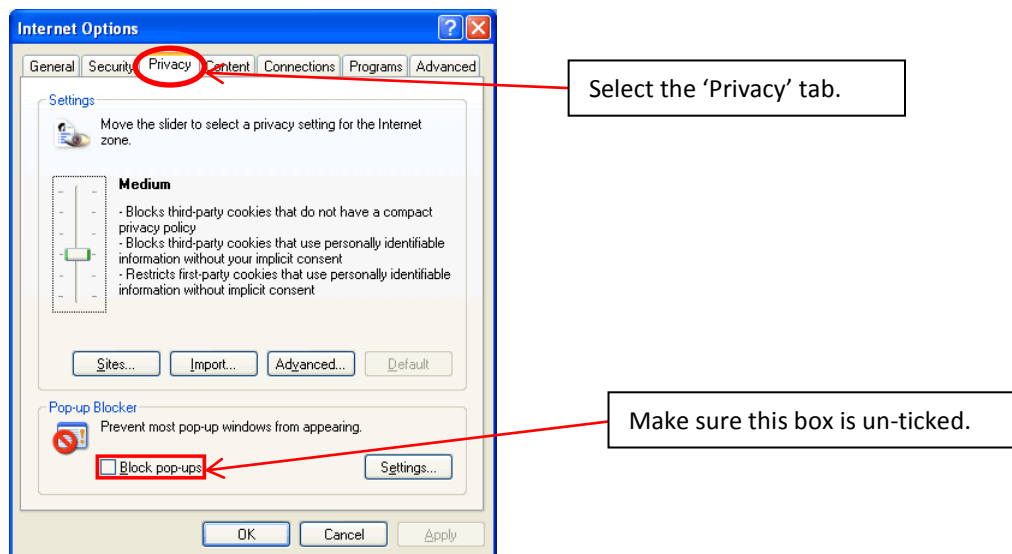

For Microsoft Internet Explorer

- Open Microsoft Internet Explorer.
- Go to the 'Tools' option in the top right hand side of the screen usually marked with a cog or a spanner symbol.

- Then select the 'Internet Options' option from the list near the bottom.
- Then on the window that pops up select the 'Privacy' tab from the top of the window.

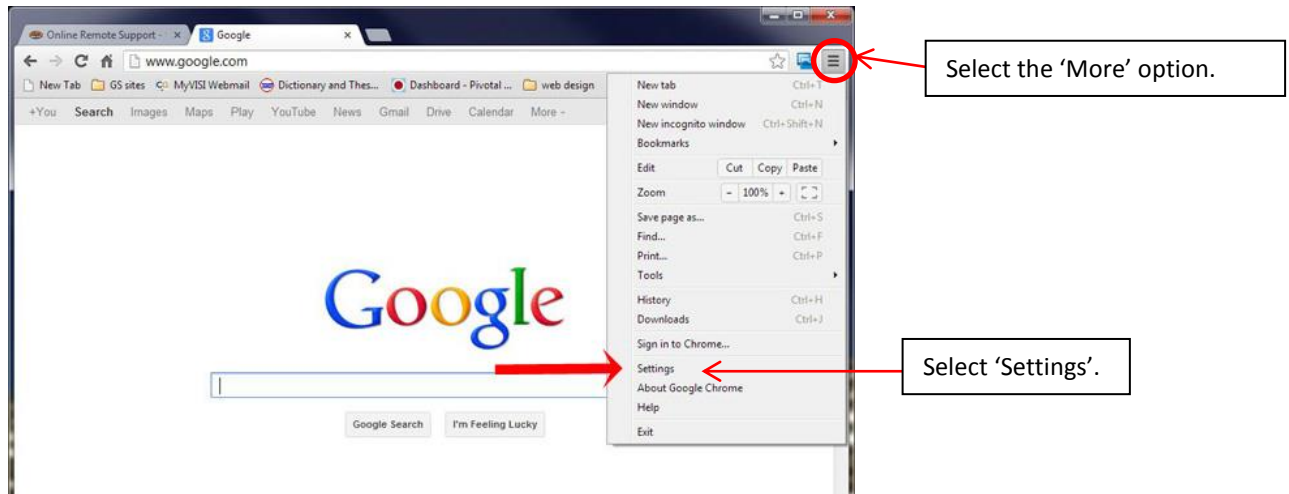

- Then near the bottom of the 'Privacy' tab un-tick the box marked 'Turn on Pop-up Blocker'.
- Then click 'Apply' at the bottom of the window and then 'OK'.
- Your Pop-up Blocker should then be disabled.

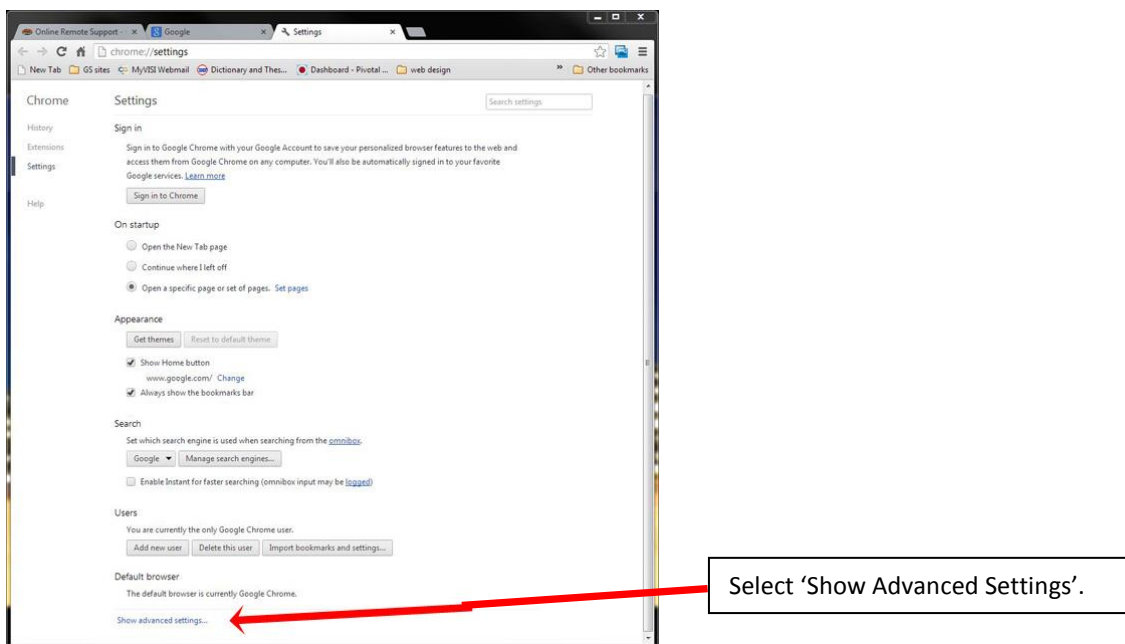

For Google Chrome

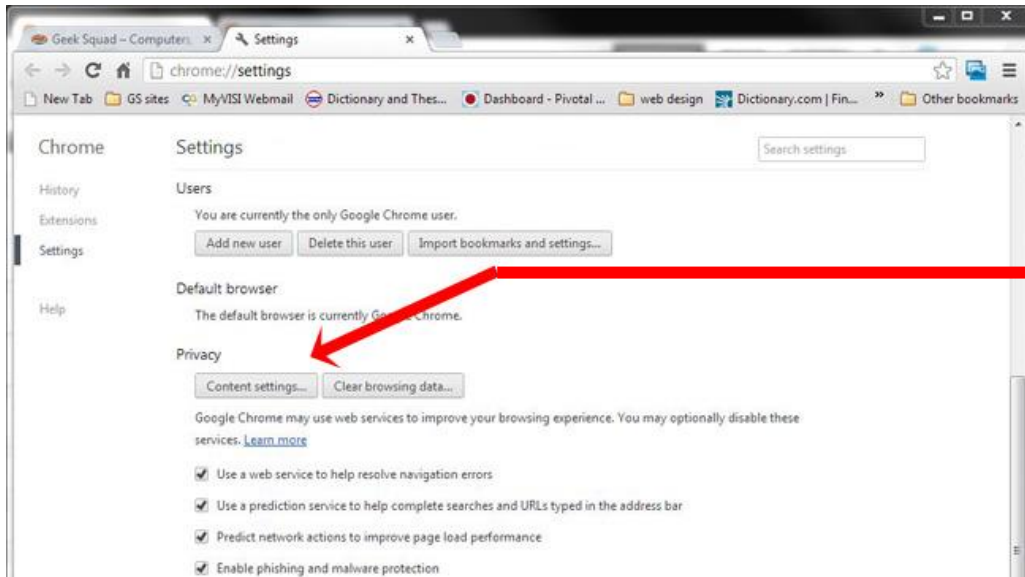

- On your computer, open 'Chrome'.
- At the top right, click 'More'.

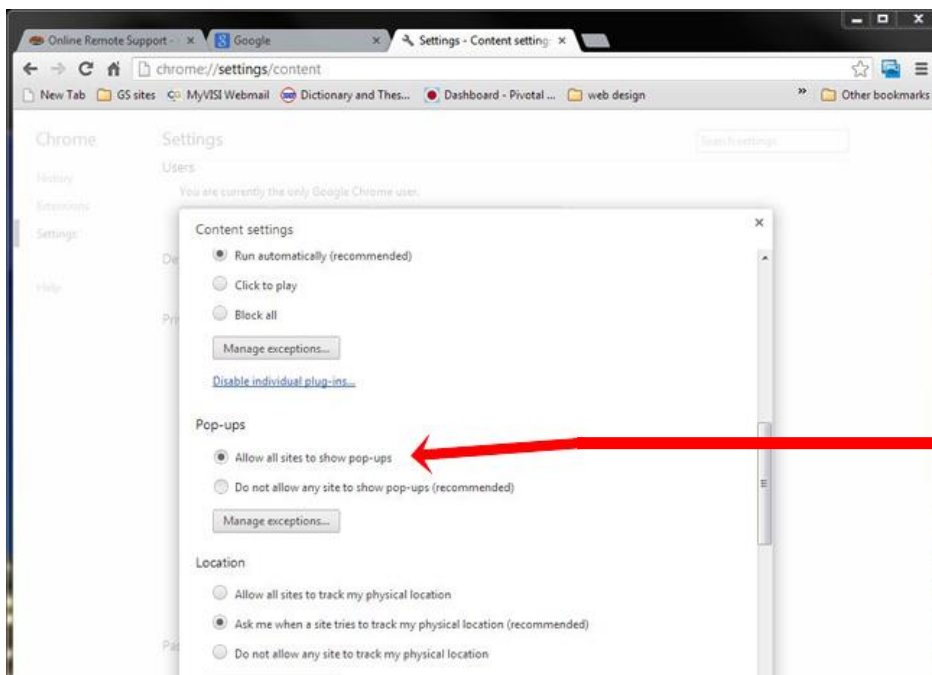

- Click 'Settings'.
- At the bottom, click 'Show Advanced Settings'.

- Under 'Privacy', click 'Content Settings'.

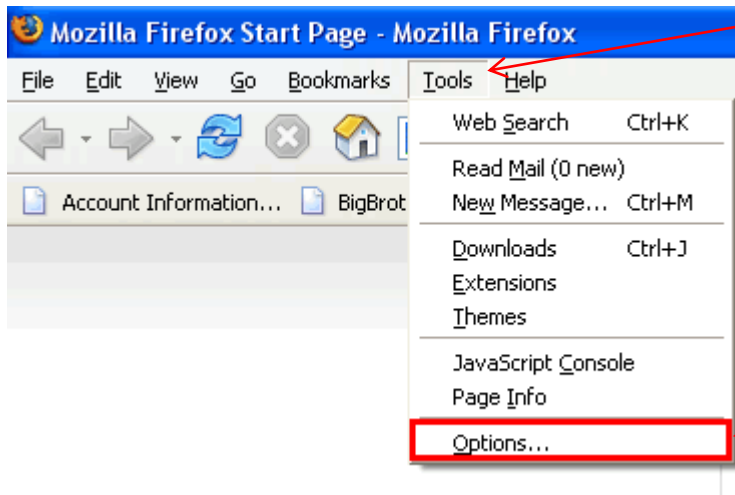

- Under 'Pop-ups', select the option: 'Allow all sites to show pop-ups'.

For Mozilla Firefox

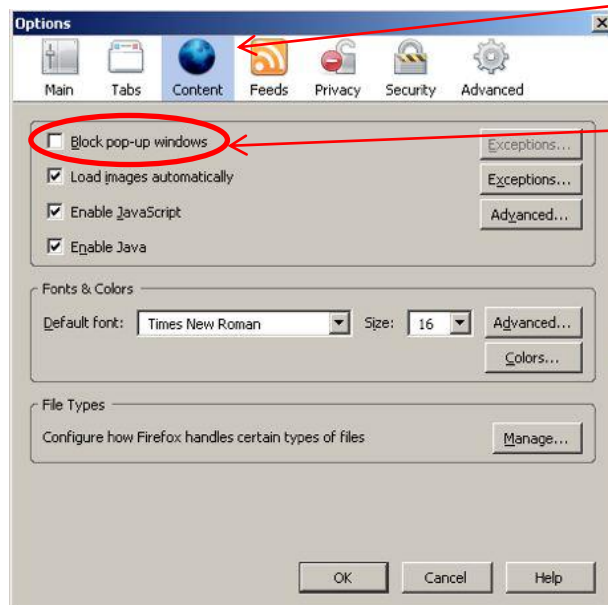

- Open Mozilla Firefox.
- Select the 'Tools' menu from the top of the screen.

Select the 'Tools' options.

Select 'Options'.

- Then at the bottom of the list that appears select 'Options'.
- Next select the 'Content' tab.

Select the 'Content' tab.

Make sure this is un-ticked.

- Then uncheck 'Block Pop-up Windows'.
- Then click "OK" and the Pop-up blocker will be turned off.
